FOR IMMEDIATE RELEASE

Interstate 80 to Interstate 780 Ramp Connector Work Closures This Morning

Vallejo – The California Department of Transportation (Caltrans) is preparing to install new safety buffers called “attenuators” along the Interstate 80 to Interstate 780 connector lanes. Crews started the work last week but will need to do additional work which will require some connector lane closures in Vallejo starting this morning.

Westbound I-80 Connector to Westbound I-780 Closure

To ensure worker and public safety during the prep-work, the westbound I-80 connector lanes to westbound I-780 will be closed today Thursday, April 19th between 9 a.m. and 2 p.m.

Eastbound I-780 Connector to Westbound I-80 Closure & Detour

Additional work is scheduled tomorrow on the eastbound 780 connector, the eastbound I-780 connector lanes to westbound I-80 will also be closed tomorrow, Friday, April 20th between 9 a.m. and 2 p.m.

Detour signs will be posted to direct motorists during the closures. Motorists should allow for extra travel time and expect delays.
